

TASTING NOTE

Salena Estate Organic Shiraz 2007

About This Wine

Our Winery is an N.O.P Certified Organic Winemaker and Bottler. This ensures the quality control process and organic status of the fruit and wine is maintained from the vineyard to the bottle. The wine shows an abundance of generous fruit characters and has soft, yet full bodied flavours that linger on and on. Oak maturation has further complexed the wine, adding a supporting rather than a dominating role

Vineyard Region

Riverland and Murray Districts of South Australia and Victoria

Grape Varieties

100% Organically Certified Shiraz

Awards

WINEMAKER'S COMMENTS

Colour

Deep garnet red with an inky edge.

Nose

The bouquet has lifted black pepper and nutmeg spice, with plummy and liquorice overtones. Oak maturation has added a cashew nut influence that adds to the sweet berry aromas.

Palate

This is a full structured, well rounded red wine of immense quality. The flavours of Satsuma plum and ripe mulberries are intense and are complemented with soft vanillin characters. Ideal with a cheese platter or with any red meat dishes.

Laboratory Analysis

Alc/Vol : 14.4% pH : 3.40 Total Acid : 6.6g/L Residual Sugar : 0.7 g/L
